

The Kingdom of Fools.

Q. What are the two strange things the guru and his disciple find in the Kingdom of fools?

Ans:- When we go through the story we find that the disciple was the embodiment of fool because he was ~~embodiment~~ selfish. ~~He~~ When they reached in the Kingdom of fools then they found the cattle were sleeping in the daylight. They found that not a single shop was open. They could not get anything to eat. When the sun set then the shop began to open. People began to work.

The second strange thing they found that everything was very cheap. They could purchase rice, ghee, banana etc in one danda. They were astonished.

Q. Why does the disciple decide to stay in the Kingdom of fools? Is it a good idea.

Ans:- We find that the story writer painted the character.

of the disciple nicely. He tried to show that the disciple is rare in the world. When the disciple found that everything is very cheap then he decided himself to stay there. The guru was not ready to stay there. He told his disciple about the future of this Kingdom. He prohibited his disciple that a catastrophic day is ahead. The disciple disobeyed the order of the guru. He told his guru that he could not miss this chance which God has given him. He told his guru that it is gift of God. The guru warned him that he would reap a bad harvest in his life.
